Hiring Manager

ThemePerch Ltd

Mohakhali DOHS, DHAKA, Bangladesh

Dear Hiring Manager,

I am writing in application for the Front-End Developer position at ThemePerch Ltd advertised in Facebook. With a strong passion for coding and a understanding of the Frontend Developer, I am eager to embark on a journey of growth and learning while making a meaningful impact in the field of web development.

Experience **1+ years**, as a Frontend developer at Techforing Ltd. I have developed a solid foundation in Full Stack Development. including Front-end such as HTML, CSS, JavaScript, and frameworks like Bootstrap, Tailwind CSS and ReactJs. In Backend technology PHP, PHP OOP, MySQL, Mongoddb, ExpressJs. I have successfully delivered multiple projects, collaborating with cross-functional learns to create user-friendly and pixel-perfect design. Proficiently I've working in this relevant tech world for 2 years, have more then created 30 projects.

I am excited about the chance to work with a supportive team that values growth and innovative. My experience allows me to build interactive and dynamic user interfaces. I am confident that my technical skills, teamwork and hard-working qualities. I am eager to bring my passion and dedication to your team and contribute to the development of ThemePerch Ltd.

Thank you for considering my application. I have attached my resume for your review, and I would welcome the chance to discuss how my skills and experience can further support your projects. I look forward to the possibility of arranging an interview and discussing in more detail how I can contribute to ThemePerch Ltd. I am eagerly waiting for the response. Please do not hesitate to contact me at cell **+088-01930260802**.

Warm regards

Nazmul Hassan
